ASSOCIATION OF MINING  
AND EXPLORATION COMPANIES

## Who is AMEC?

The Association of Mining and Exploration Companies (AMEC), is the peak industry representative body for mineral exploration and mining companies throughout Australia with offices in Perth, Brisbane and Sydney.

Founded in 1981, our purpose is to facilitate a positive political and economic environment to grow the exploration and mining industry on behalf of our members.

At AMEC we have formed industry based standing committees and working groups to ensure our many policies and advocacy initiatives express our member's views, which are integral to policy positions adopted and implemented by AMEC. These committees and working groups are:

- Corporate Regulation and Taxation Committee
- Mining Legislation Committee
- Environment and Water Policy Committee
- Aboriginal Affairs Committee
- Uranium Working Group
- Safety Working Group
- Infrastructure Working Group

To learn more about the roles of our committees and working groups please visit our website; [www.amec.org.au](http://www.amec.org.au)

## Why join AMEC?

The risks and changing legislation in the mining and exploration industry in Australia have never been as complex or as uncertain as they are today. In this environment, it is vital for suppliers to stay abreast of how government policies and subsequent risks affect the way in which you do business in this industry.

A greater understanding of these impacts will give you the ability to value add to your service offering giving you a competitive advantage in a market inundated with suppliers, advisors and consultants.

As an Associate Member of AMEC you will have the opportunity to not only be a part of policy change but also have the added advantage of being able to network one to one with key industry decision makers in mining and exploration companies.

In addition AMEC provides a number of services designed to add value to your company, these include:

- invitations to free member networking events
- a directory size advert in AMEC Explorer (40mm x 85mm, valued at \$242)
- profiling on the AMEC website as a member
- help with obtaining critical information relating to most issues experienced in the industry
- discounts on delegate rates and exhibition packages at the AMEC Convention
- exclusive discounts on travel through AMEC Travel Group including air fares, accommodation and car hire.
